Rector, Chernivtsi University in Ukraine

Invitation to cooperation

We would like to invite the Musical Department of Chernivtsi University in Ukraine to cooperate with our department in providing research on pre-performance emotions in musicians. One of the aims of the research project is to compare Polish and Ukrainian groups of musicians in terms of emotions experienced before concert and their impact on performance quality. The research coordinator from our side is Julia Kaleńska-Rodzaj, PhD, and your proposed research coordinator is Iryna Boychuk, PhD.

We would be very grateful for the organizational support to carry out the research on your students.

Best Regards

Dear Mr Vadym Lisovi,

Please accept our sincere thanks for the excellent support provided by you and your academic staff in organizing the Ukrainian part of international psychological research in a scientific project "Emotions in social exposure situation: the structure and the functions of pre-performance emotions experienced by musicians".

We are personally grateful to you for giving the expert help in quality rating of music performance video material collected during the research.

We also are very grateful to doctor Iryna Boychuk, whose support in coordination and conduction the research part was outstanding. She also gave the expert help in quality rating of music performance video material collected during the research.

Your efforts contributed substantially to the quality of collected data and the effectiveness of the interchange was enhanced by the professionalism displayed by your staff in conducting research. Thank you for your involvement, research passion and professionalism.
